Proficiency Courses in Cyber Laws
(Version 2004)
Prospectus

Proficiency Courses in Cyber Laws (India) from Cyberlawcollege.com are Courses meant to provide an understanding of certain niche areas of interest in Cyber Laws as applicable in India.

Presently the following Proficiency courses are being offered.

     1. Proficiency in Information Technology Act 2000

     2.Proficiency in Intellectual Property Rights on Cyber Space

     3. Proficiency in Cyber Crime Management

     4. Proficiency in Cyber Security for E-Entrepreneurs

Who should take this Course?

This course is meant for E-Commerce Professionals, E-Entrepreneurs, Law and Engineering Students and Legal professionals who would like to specialize in Cyber Laws.

Entry Criteria:

The Course is recommended for graduates in any discipline and particularly professionals with experience in the E-Business or Legal discipline. However considering the demand from the student community, the Course is made available for Under graduate students as well.

Before taking up the course, students are requested to study the Course contents and decide their own requirement and capability for timely completion of the course.

Management:

All correspondence should be addressed to Na.Vijayashankar, the founder of Cyber Law College.com either by e-mail at naavi@vsnl.com or at the address of the College.

How the Course is Conducted:

-The Course will consist of lessons on various topics relevant to Cyber Laws.

-The lessons will be despatched through e-mails at weekly intervals.

-Students are given questions to answer through e-mail

-Students have to attend two online chat sessions and answer questions posed in the chat session

-There will be no examination. Students will be evaluated based on the answers submitted and their performance in the chat sessions and certificates issued

-Course material will be provided basically through electronic means.

-On completion of Registration and Receipt of the payment, the first lesson module would be sent by e-mail. There is no specific time for entry. The courses will commence all through the year.

-Individual queries would be addressed through e-mail and a private Chat with Naavi.
